

Civetta Fund Fact Sheet

Fund Strategy

Incepted in January 2012, the Fund is an ASEAN, long-only equity portfolio of public companies with a strong emphasis on under-researched small and medium size companies in the region. The Fund uses 4 mutually-inclusive investment principles in selecting stocks; low valuations measured through various financial ratios, secular growth theme and stock-specific competitive advantages that provide catalysts to unlock value, trustworthy and competent management and diversification.

In exiting stocks, the Fund applies 3 criteria; high valuation, concentration or change of view. The Fund is currently invested in three key themes for the ASEAN region; Demographics, rising urbanization and an investment cycle effectively for the first time in 20 years.

Country allocation; Philippines (43%), Thailand (34%), Vietnam (16%), Singapore (5%) and Indonesia (1%). Cash stands at 1%.
